children receive
60% of our services.

“SHOPPING FOR VALUES” AND OTHER HANDS-ON PARTNERSHIP OPPORTUNITIES AT SOUTH COUNTY OUTREACH

These programs are particularly helpful to parents who are seeking to grow life-lessons in their children but businesses, schools, faith communities and others may also find them helpful. We love to tour groups and individual families by appointment.

1. **Shopping for Values** – Take your family to buy groceries for a family in need (see www.sco-oc.org (look under “Donate” tab and scroll down to “Most Needed Donations List”). Then come to the South County Outreach Pantry on **Sat. Dec. 13** or **Sat. Dec. 20 between noon and 1:30** and tour our pantry, see the video on those we serve AND put your groceries on the pantry shelves. (The pantry is closed between Christmas and New Years). Please R.S.V.P. with Megan Smith*
2. **Adopt-a-Family Sponsorship** – Provide a family in need with meals and gifts for the holidays www.sco-oc.org (look under “Programs” tab at the top left, and scroll down and click on “Holiday Adopt a Family” (Must register by December 10 to receive a family this year).
3. **Students Against Hunger** – Fulfill community service hours for school by conducting an individual or group food drive and then touring SCO to gain information on local community needs and eventually stock the pantry shelves with your donations.
4. **Mother’s Day Baskets** – Provide special baskets for mothers in need prior to Mother’s Day
5. **Easter Baskets** – Provide Easter Baskets for children prior to Easter week
6. **Back-to-School Backpacks** – Provide backpacks filled with school supplies for families in need during August.
7. **Family/Group Food Drive** – Call our food drive coordinator (949) 380-8144 ext. 203 to learn how to partner with us to do a neighborhood, business, school or grocery store food drive. (This is for ALL ages!)
8. **Party With a Purpose** – Throw a party for your friends, club, business etc. and invite them to write a check or bring a bag of groceries for South County Outreach as the admission criteria.
9. **Connect us with a company foundation or giving program** – Do you work for, or do business with a company that has a foundation or employee giving program? Connect us to someone inside that company and be our liaison.

***CALL Megan Smith at (949) 380-8144 x 220 for more information**
